Federica Ceccarelli

Amsterdam, The Netherlands | +39 328 2064670 | federicaceccarelli@outlook.it | Federica Ceccarelli

PROFILE SUMMARY

Proactive, data-informed transformation and communications professional with proven success driving global internal initiatives, AI adoption, and multi-channel engagement. Experienced in leading end-to-end capability programs, optimizing knowledge management platforms, and translating analytics into actionable growth. Skilled in executive reporting, cross-functional stakeholder management, and aligning diverse international teams around strategic objectives. Naturally curious and proactive, I love exploring social media trends and emerging tech and AI tools to craft compelling communications that connect teams and inspire action.

PROFESSIONAL EXPERIENCE

Kraft Heinz **Amsterdam, The Netherlands**
R&D Transformation Analyst Nov. 2025- Present

- Led end-to-end strategy and rollout of AI Literacy program for 200+ users across 5+ countries, accelerating AI tool adoption
- Defined team's communication framework, driving message consistency and clarity across global business units
- Developed data-drive executive presentations, updates, and communications for R&D leadership team
- Partnered with global stakeholders and external vendors, managing cross-functional alignment and projects delivery
- Managed editorial planning and publishing of team's newsletter, reaching 400+ employees
- Monitored KPIs across internal campaigns performance and tools usage, translating data into actionable improvements

Kraft Heinz **Amsterdam, The Netherlands**
